The specified construction height limits are only applicable for Messe Frankfurt's own events (please note the special construction height limits). The construction height limits in force for guest events (e.g. IAA, Achema, Frankfurt Book Fair etc.) must be ob-

tained from the organisers. All heights must be checked on location. Messe Frankfurt is not responsible for the accuracy of the information. There may be structural constraints in certain halls. The basic construction height is 2.50 m. Above this

height, it is necessary to ensure that the rear sides of walls facing neighbouring stands are smooth and generally of a neutral colour (e.g. white or light grey).
