light+building

An aerial night view of a city skyline, likely New York City, with numerous skyscrapers illuminated against a dark sky. In the foreground, several modern, multi-story buildings are visible, their windows glowing with warm light. A prominent feature is the text 'BE ELECTRIFIED' written in large, glowing yellow neon letters across the upper left portion of the image. Below the text, there are several curved, glowing yellow light trails that sweep across the lower part of the frame, suggesting movement or energy. The overall atmosphere is one of urban vibrancy and technological advancement.

LIVING LIGHT

An aerial night view of a city skyline, likely New York City, with numerous skyscrapers illuminated. In the foreground, modern residential or commercial buildings are lit up, with warm yellow light trails swirling around them. The sky is a mix of orange and blue, suggesting sunset or sunrise. The text 'BE ELECTRIFIED' is overlaid in large, glowing yellow, outlined letters on the left side of the image.
